

NIVEDITA SHARMA

CONTACT

- 9154331330
- nivisharma409@gmail.com
- Hyderabad, Telangana
- <https://github.com/nivedita-sharma28>

SKILLS

- Python
- C++
- SQL
- Data Structures & Algorithms
- Leadership
- Effective Communication
- Critical Thinking
- Digital Marketing

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Tamil (Basic)
- Telugu (Basic)

CERTIFICATES

- Web Development (via Udemy)
- Data Structures & Algorithms(via Udemy)
- Data Science (via Infosys)
- Natural Language Processing(via Infosys)
- Professional two year degree(in Carnatic Music)

PROFILE

I am a passionate and motivated fourth year ICT engineering student with strong skills in programming languages and a solid understanding of networking, database systems, and web technologies. I enjoy solving real-world problems through technology and continuously seeking opportunities to learn and grow. I am eager to contribute to impactful projects while continuously expanding my technical and professional skill set.

WORK EXPERIENCE

Maarga Systems(Chennai,India)
Project Intern(April 2025-July 2025)

PROJECTS

- "Startup-Policy Copilot" RAG Agent
 - Built a Retrieval-Augmented-Generation (RAG) agent on India's Startup India policy stack, ingesting 300+ pages of government PDFs.
 - Achieved 80%+ exact-match accuracy with 100% correct citations, ensuring reliable compliance answers.
- Seismic Intensity Earthquake Prediction Using ML Models
 - Developed an ML-based system to predict earthquake intensity from seismic P-wave data, enabling early warning within 3-5 seconds of detection.
 - Implemented and compared multiple models achieving up to 90%+ accuracy in classification.
 - Processed and analyzed real-world seismic datasets (thousands of events) to train and validate models.

EDUCATION

Bachelor of Technology (ICT)	2022- 2026
School of Computing Sastra University	
GPA: 7.43/ 10	
Class 12th - ISC	2020 - 2022
Gitanjali Senior School	
Percentage: 70.2%	
Class 10th - ICSE	2008 - 2020
Gitanjali Devshala School	
Percentage: 83.5%
